Dear Mr. Hyde:

I am pleased to inform you that *Where to Retire* magazine has designated Comanche Trace as one of America's 100 Best Master-Planned Communities. Congratulations!

During a nine-month selection process, our editors reviewed several hundred candidates across the country. Your community is among an elite group of developments that offer today's retirees a well-rounded, active lifestyle.

Where to Retire applauds the positive impact that each of our 100 Best has made on the economic health of the towns and cities in which they are located. All of the communities are leaders in providing a high quality of life to those who are embarking on new adventures in retirement.

We extend our heartiest congratulations to you, your employees and your residents, and we wish you continued success.
