Dear Trevor:

We want to congratulate you on your inclusion in *Golf Digest's* Best in State ranking for 2007-2008.

This ranking is part of our biennial America's 100 Greatest Golf Courses package and will appear in the May 2007 issue of *Golf Digest*, which arrives on newsstands April 10.

Golf Digest has conducted America's 100 Greatest Golf Courses rankings since 1966, making it the oldest and most respected ranking in the game. The magazine's panel of more than 800 low-handicap male and female golfers nationwide played and rated the courses on criteria including Shot Values, Resistance to Scoring, Design Variety, Memorability, Aesthetics, Conditioning and Ambiance. After panelists filed their evaluations, *Golf Digest* averaged the scores of the seven categories (scores in the Shot Values category count double) and totaled the averages to determine the overall rankings.

Please extend our congratulations to your golf professionals and the entire golf course staff.

Cordially,

A Condé Nast Publication
